

MINOS OF SARDANES Charles B. Stilson

**The micro cosmos of Sardanes faces macro calamity as climatic disruption and social upheaval threaten its existence. Its inhabitants, an ancient race that has preserved a mythical culture through thousands of years in isolation, are doomed. But by virtue of their extraordinary deeds, an heroic couple, King Minos and his comely Queen Memene, might effect an escape. A relief expedition under the auspices of the American Geographic Society led by Zenas Wright and championed by Polaris Janess is on it's way! And it might arrive in the nick of time!
